

FLASHGARD

A MAKEOVER
IS WHAT YOUR
PHONE NEEDS.

A glam up look is what we want you to get for your phones. With our wide range of textures and patterns, designs and decorations - we make sure you give your phone a stylish and aesthetically-pleasing look.

Besides the style and charm, you will also add the much-need protection to your phone through our chic phone covers.

OUR FEATURES:

Scratch resistance

Water repellent

Self healing

Wide design varieties

Protection from drops and knocks

Stain resistance

Textured surface provides grip

Prevents fading of color

A Matter of Taste. When you want your phone to look like a work of art, you need a case that's as unique as you are. Flashhard's new collection of cases is designed to protect your phone while making a statement. Choose from a variety of colors and patterns, or create your own. With Flashhard, you can have your cake and eat it too. Visit www.flashhard.com for more information.
